Nathan, Richard and Justin –

EPA has received a number of inquiries from citizens in Hoosick Falls regarding a variety of issues relating to the PFOA that is present in the drinking water and groundwater. In response, we have prepared the attached “Frequently Asked Questions” document. Could you please look it over and let me know by COB tomorrow if you have any factual corrections (not stylistic changes) to it? Thank you very much. Once it’s finalized, we plan to distribute the document at the

January 14<sup>th</sup> public meeting in Hoosick Falls and put it on EPA's Hoosick Falls web page.
